

VCU Medical Center

Virginia Commonwealth University

MRI STUDY

MCV Campus

INSTRUCTIONS:

1. **Arrive 30 minutes before the scheduled time for registration (unless told otherwise).**
2. You will be required to take off all metallic objects, such as jewelry, hearing aids, hairpins and buckles. It is best to leave valuables at home if possible.
3. If contrast is necessary, an IV will be started for administration of the contrast medium. The IV will be removed immediately after the exam.
4. You should be able to drive yourself home unless you have been given sedation. Bring someone to drive you home after the test if sedation is required.
